Overview of my 2000 mustang 3.8L v6

Sorry for the camera work. This was my grandmother's car at one point, I was looking for a gt mustang but my transmission in my blazer was starting to slip so I needed to settle for a v6, not sure if I'll coyote swap it or not, besides the 68 fastback and 71 Mach one, this is my favorite body's style, yes I love the s550 but I couldn't afford one of those yet. I'll keep yall updated, and thanks for watching
