**Basic Grammar Rules: English Sentence Structure**

How are English sentences put together? Depending on your native language, you may find English sentence structure simple or quite difficult. Some languages put sentences together much like English does, but others are very different in this regard. In this video, we'll look at some common elements of English sentence structure. If you find these ideas difficult, don't worry. As your English improves, you'll learn to recognize these patterns. And this will give you a deeper understanding of not only English, but also your own language. Learn more grammar rules: 7esl.com/grammar/
