### GETTING INTO MEDICAL SCHOOL IN AUSTRALIA // Question and Answer

Today I'm answering all your questions about how to get into medicine in Australia. Post graduate medicine is a tricky little bugger to figure out, navigating GAMSAT and GPA is a challenge. You can absolutely do it though with some planning, persistence and your online med mentor, aka ME. Time stamps Did I have a mentor to get guidance and advice from? 1:09 How did I cope with self doubt 2:31 How did I handle periods of feeling demotivated (emotional) 6:04 How important are extra curriculars and work experience 11:29 What GAMSAT course do I recommend? 13:29 Favourite study resources 15:58 Top 5 books 16:48 What were the factors for deciding what medical school I wanted to go to 18:23 Did I put down only local universities as my preferences 19:43 How to effectively study for the GAMSAT 21:16 How to ensure you have a competitive GPA 22:48 How early should I start preparing if I'm a first year undergrad 23:36 Was studying always a complete grind? 25:00 📄📄📄📄 WHO AM I? I'm not your average a medical student studying at the University of Melbourne (Unimelb), Australia. I got kicked out of university a few years ago and then then managed to get accepted into medicine. I'm here to show you that medicine is NOT just for some elite few. I document my life in medical school, vlog my experiences outside of university, and also make videos about GAMSAT and share some tips about medicine interviews and the admissions process.
