Hey my name is Baby Sunshine Legodi,studying my Second year in Bachelor of Science in Occupational Therapy at the University of the Western Cape.Part time High school Tutor and Mentor I am a firm believer and product of black excellence. My actions are guided by a vision to serve Africa and represent the continent at a global scale with my race and gender as my crown. I see myself as a powerful force. A force that cannot be replicated or destroyed. A force armed with prosperity, a mission and vision of my direction. And of course the complexity of my beauty .I come with the heart and mind to change the narrative of how Africa is perceived and how we perceive ourselves in such a way that we own and are proud of our roots.I have started a Youtube channel that tries to provide entertainment as well as a look into my life as a student in order to inspire a young person out there and let them know that the sky is not the limit. My brand is still young and i have many plans for the future and im aiming at growing my brand so that i can influence and touch the minds of many young people.my role is to influence and inspire the youth.
