strongcurriculum.com/ On each of Ron's Bible Story animations students listen to the Bible account and music while watching the story being illustrated in a simple, captivating way. Each fun, humorous, memorable animation lasts 3-5 minutes. God did not want the Israelites to treat the Ark of the Covenant like a magic wand. It was to be held in reverence. This animation shows how the Israelites misused it. The Philistines Capture the Ark (1 Samuel 4:1-11) 1 And the word of Samuel came to all Israel. Now Israel went out to battle against the Philistines. They encamped at Ebenezer, and the Philistines encamped at Aphek. 2 The Philistines drew up in line against Israel, and when the battle spread, Israel was defeated before the Philistines, who killed about four thousand men on the field of battle. 3 And when the people came to the camp, the elders of Israel said, "Why has the Lord defeated us today before the Philistines? Let us bring the ark of the covenant of the Lord here from Shiloh, that it[a] may come among us and save us from the power of our enemies." 4 So the people sent to Shiloh and brought from there the ark of the covenant of the Lord of hosts, who is enthroned on the cherubim. And the two sons of Eli, Hophni and Phinehas, were there with the ark of the covenant of God. 5 As soon as the ark of the covenant of the Lord came into the camp, all Israel gave a mighty shout, so that the earth resounded. 6 And when the Philistines heard the noise of the shouting, they said, "What does this great shouting in the camp of the Hebrews mean?" And when they learned that the ark of the Lord had come to the camp, 7 the Philistines were afraid, for they said, "A god has come into the camp." And they said, "Woe to us! For nothing like this has

happened before. 8 Woe to us! Who can deliver us from the power of these mighty gods? These are the gods who struck the Egyptians with every sort of plague in the wilderness. 9 Take courage, and be men, O Philistines, lest you become slaves to the Hebrews as they have been to you; be men and fight." 10 So the Philistines fought, and Israel was defeated, and they fled, every man to his home. And there was a very great slaughter, for thirty thousand foot soldiers of Israel fell. 11 And the ark of God was captured, and the two sons of Eli, Hophni and Phinehas, died. Raiders of The Lost Ark - Bishop T.D. Jakes | The Pacemaker Series

God chose David, a man after His own heart, to reign as king of Israel. It was David's inhabitation with God that provoked his elevation to his destiny. When we integrate our heart for God with the elevation we've received, God's glory is made evident. To this end, we cannot be silent when the enemy threatens our future. Silence is akin to darkness; it cannot be measured. That's why the initial tactic that the enemy employs is to shut your mouth. However, when you open your mouth, your voice disrupts the silence, destroying the enemy's plot. Therefore, give God praise and thanksgiving. It will thwart the enemy's attempts to command strongholds over your life.
