WUTHERING HEIGHTS – Structure & Narrative Technique | Emily Brontë WUTHERING HEIGHTS novel analysis

Analysis of Emily Brontë's brilliant novel Wuthering Heights, focusing on the literary devices & techniques she uses to structure the dual narrative. How does Emily Brontë deploy anachrony, prolepsis, & analepsis (definitions & examples included) to convey past, present, & future times (in both narrators, Nelly Dean & Mr Lockwood)? The lecture closes by considering Heathcliff's death & why Emily Brontë might present it as an unsatisfying anticlimax. Plot sections analysed: • Catherine / Cathy Earnshaw's ghost's encounter with Mr Lockwood (ch.3) • Hindley Earnshaw & Heathcliff fighting over a horse, which leads Nelly Dean to confess to Mr Lockwood: "He complained so seldom, indeed, of such stirs as these, that I really thought him not vindictive: I was deceived completely, as you will hear" (ch.4) • Hindley Earnshaw's death, meaning that Heathcliff "was now the master of Wuthering Heights" & Hareton Earnshaw being "reduced to a state of complete dependence on his father's inveterate enemy" (ch.17) • The report of Heathcliff's death (ch.32) If you'd like to support the channel, you can here [paypal.com/donate?hosted_button_id=D8LSKGJP2NL4N](https://www.paypal.com/donate?hosted_button_id=D8LSKGJP2NL4N) Follow me on Twitter: twitter.com/DrOctaviaCox CLOSE READING CLASSIC LITERATURE #DrOctaviaCox #UnfamiliarReadings #CloseReadingClassicLiterature FOR MORE LITERARY ANALYSIS see my 'Close Reading Classic Literature' playlist

Let us know what you think and please ask any questions you might have. Don't forget to visit our website at TotalEducationCentre.com.au for all your educational needs including extra notes and lectures on all our video texts. Please subscribe to our channel.

5 - Wuthering Heights Lecture 1 - Character, Setting, and Why Lockwood Is an Idiot

This little talk on on Wuthering Heights, the first of four, introduces the novel generally, and helps to situate the reader in a narrative world of unreliable narrators and interweaving narrative modes and media. It digs into questions of interpretation, and the issue of which discourse ought to be considered authoritative in the interpretation of character, setting, and overall experience. Bronte's views on the matter were unconventional, and the spiritual landscape suggests that the discourse of Christianity is not authoritative, but rather that the wilds of the moors in which the narrative is set constitute a deeper and more

authentic authority for at least some of the characters. Religion, folklore, and Gothic motifs all intertwine in what, to my mind, is one of the great meditations on the subject of love on the one hand, and abuse on the other. I assume, for this talk, that the reader has read to the end of Chapter 9,

Wuthering Heights and context - English literature AS & A-Level

This video explores context in relation to Wuthering Heights by Emily Brontë. It explores context of production and reception of the text; including the context of stereotypes and social norms at the time, as well as the influence of other writers.
